

TAQUITO

Functions Pack

Taquito is an inspired Mexican bar and eatery in the heart of Carlton.

At Taquito we roll, press, and stone bake every tortilla from scratch. We believe that this Mexican tradition is the beginning of every great taco. We carry this handmade philosophy throughout our cooking as we strive to deliver you honest and inspired (and delicious) Mexican fare.

Food isn't the only thing we're proud of. Our curated drinks list packed with Mexican inspired cocktails, independent beers, local wines, and plenty of agave spirits will be sure to keep the fiesta going.
